

PATIENT HEALTH RECORDS

For your convenience, Affiliated Dermatologists gives you access to your medical records. Our confidential and highly secure patient portal will give you the ability to manage your medical needs. At your first visit you will be asked to provide an email address for enrollment. Once we receive your email address, an email invitation will be sent with further instructions to gain access to your medical records.

We are associated with most major health systems, thus allowing us to share records and results with other physicians.

INSURANCE & PAYMENT OPTIONS

At Affiliated Dermatologists we make every effort to provide you with the finest care and the most convenient financial options. We participate with most private insurance plans and belong to most local managed care plans. Please know that insurance plans change frequently. Each plan contains unique rules which must be followed by the patient. We will help you understand the particular benefits and rules of your healthcare plan.
