

In the upcoming months our office will be implementing significant changes to our technology to better serve you, our patient. We ask for your patience with our providers and staff as we undergo this transformation to our technologies, as we will do our best to minimize any impact they have on serving your healthcare needs.

NEW Electronic Health Record

Advocare is transitioning to eClinicalWorks Electronic Health Record. We may need your assistance to obtain additional information as we set up your health record in this new system.

NEW Billing System

Similarly we will be transitioning to a new Billing System as of July 1st, 2019.

Any questions regarding your patient bill should be referred to our practice.

NEW Patient Portal

Please see the reverse side for information regarding **Healow**, which is our new patient portal.
