

Top Reasons to Use YOUR Pediatrician

① First and foremost, and this is the most **IMPORTANT**. Your pediatrician knows your child's health history and can provide consistent, continuous care for the best health outcomes possible.

② We maintain comprehensive medical records that include specific care plans. We don't want to miss capturing any important medical information.

③ We provide the personalized attention you deserve so you can freely discuss issues of concern you may have about your child.

④ In the event you need to relocate and change practices, we help facilitate the continued care of your child by providing medical records to you or your new pediatrician.

⑤ We have all of your important registration papers and payment information. This saves you time on unnecessary paperwork.

**We have NEW EXTENDED HOURS,
including Walk-Ins.
Mondays - Fridays 5 to 8 p.m.
Saturdays 8 a.m. to 5 p.m.**
